CATÁLOGO GERAL GENERAL CATALOGUE CATALOGUE GÉNÉRAL

PT

CERTECA é uma marca de referência no mercado nacional e internacional, localizada no distrito de Aveiro, região de Portugal onde se cimentou a melhor tradição da indústria cerâmica portuguesa. Aliando a tradição com a avançada tecnologia industrial, o crescimento da marca Certeca é alicerçado em valores como a inovação, a qualidade, o design, a preservação ambiental e a sustentabilidade social. Individualmente ou complementados com as mais variadas peças decorativas, os produtos Certeca permitem ao consumidor encontrar soluções estéticas proporcionando ambientes agradáveis e de conforto duradouro. A qualidade dos produtos e a excelência dos serviços disponibilizados aos clientes têm permitido um crescimento gradual e sustentado nos mais diversos mercados.

EN

Located in the main region of Portuguese ceramics tradition, CERTECA is a worldwide renowned ceramic tile trademark. Certeca combines years of experience and tradition with advanced industrial technology and commitment to exceptional client relation in order to deliver continued excellence in the ceramic tile industry. With a reputation for professionalism and attention to detail, Certeca's growth is based on innovation, exceptional design, and on social and eco- friendly consciousness. Certeca products allow the consumer to find pleasant aesthetic solutions providing ambiances of long lasting comfort created by its exceptional wall and floor tiles and by the most exquisite decorative pieces. As a company that cares about product quality and customer satisfaction, Certeca continually strives for perfection, showing a steady and supported international growth.

FR

Située dans la région principale de la tradition céramique Portugaise, CERTECA est une marque de carrelage renommée mondialement. Alliée à la tradition, avec une technologie industrielle avancée, Certeca s'engage, en partenariat avec les clients, à donner une excellence à l'industrie céramique. À l'égard d'une réputation de professionnalisme et d'attention au détail, la croissance de Certeca est basée sur l'innovation, le design, et sur une conscience sociale et écologique. Les produits de Certeca permettent au client de trouver les solutions esthétiques agréables et des ambiances confortables et durables, composées par des carreaux de sol et mur d'exception et par des magnifiques pièces spéciales. Certeca assure la qualité du produit et la satisfaction du client et cherche continuellement la perfection, en montrant une croissance internationale régulière et supportée.

- 1 Pode haver uma variação de ±3% na espessura.
2 Pode haver uma variação de ±3% no peso.
3 O peso da palete está incluído nos valores indicados.

Grau de resistência da cerâmica | Ceramic resistance grade | Niveau de résistance de la céramique

Norma **PEI**: define a resistência à abrasão e determina o nível de passagem.
PEI Standard: Defines abrasion resistance and determines the level of foot traffic.
Norme **PEI**: Définit la résistance à l'abrasion et détermine le niveau de passage.

- PEI II** – Uso moderado, baixa resistência à passagem | Moderate use, low resistance to foot traffic | Usage modéré, faible résistance au passage
PEI III – Uso normal, locais com passagem habitual | Normal use, suitable for areas with regular foot traffic | Usage normal, adapté aux zones de passage habituel
PEI IV – Uso regular, muito boa resistência à passagem | Regular use, very good resistance to foot traffic | Usage régulier, très bonne résistance au passage
PEI V – Uso intensivo, resistência excepcional ideal para locais de muita passagem | Intensive use, exceptional resistance, ideal for high-traffic areas | Usage intensif, résistance exceptionnelle, idéal pour les zones à forte fréquentation

Norma **R**: qualifica a aderência para pés calçados.
R Standard: Qualifies slip resistance for shod feet.
Norme **R**: Qualifie l'adhérence pour les pieds chaussés.

- R9** – Aderência normal | Normal slip resistance | Adhérence normale
R10 – Aderência boa | Good slip resistance | Bonne adhérence
R11 – Aderência muito boa | Very good slip resistance | Très bonne adhérence
R12 – Aderência excelente | Excellent slip resistance | Excellente adhérence

Norma **ABC**: qualifica a aderência da cerâmica para pés descalços.
ABC standard: qualifies the slip resistance of ceramics for barefoot use.
Norme **ABC**: qualifie l'adhérence de la céramique pour une utilisation pieds nus.

- A** – aderência média | medium slip resistance | adhérence moyenne
B – aderência elevada | high slip resistance | adhérence élevée
C – aderência forte | strong slip resistance | adhérence forte

- R10B** – aderência elevada | high slip resistance | adhérence élevée
